Note: For more than one publication by the same author, list them in chronological order, with the older item first. For more than one publication in one year by the same author, use small (lower case) letters to distinguish them (e.g. 1980a, 1980b).

- Follow British spellings throughout (programme, not program).
- Use of numerals: One to twelve in words, thirteen and above in figures, unless the reference is to percentages (5 per cent), distance (5 km), or age (10 years old). Use 1900s and 19th century.
- No stops after abbreviations (JK, MBA). Use stops after initials (K.S. Kapoor).
- Capitalization should be kept to the minimum and should be consistent. Book reviews must provide the following details, and in this order: Name of author/title of book reviewed/place of publication/publisher/year of publication/number of pages, in Roman and Arabic figures to include preliminary pages/and price, with binding specifications as such as paperback or hardback.
- Manuscripts not considered for publication will not be sent back. Acceptance of papers for publication shall be informed through e-mail or through normal mail. Those submitting papers should also certify that the paper has not been published or submitted for publication elsewhere.
- Manuscripts and all editorial correspondence should be made electronically and along with hard copy to the Editor.

An author will receive a complimentary copy of the issue in which his/her paper appears.
